Minister Linda Braxton

Praise The Lord everyone. When it comes to having a relationship with God, what type of relationship are you seeking? Do you want a genuine one on one or do you just want it to experience his miracles and blessings?

Our relationship with God should be genuine with love, commitment and service, He has genuine love for us. He’s committed to us His children. He’s available to us 24/7. You will not find any other God who puts everything on the line because of love for people who did not deserve it.

Thank God for the power of the blood and the cross.

Be Blessed.
