If you don't have Zoom installed, it will prompt you to download and install the app for your platform.

If you prefer to connect manually:

If you do not already have it, Download the Zoom app from your app store or Zoom.us.

Open the app

Click the blue "Join" button

In Meeting ID enter: 864 9398 7493

Enter your name and hit "Join"

You may be prompted to enable your camera and connect your sound

Enabling your camera is up to you, but we ask that you mute your microphone when Church starts so everyone can hear the teacher and then unmute yourself to respond to them.

Next time you want to join the Zoom, you should see "The Worship Center" in the list of Meetings!

See you Sunday morning at 9:30 am!
